Product Description

Easily create a Nordic home life:

This simulated succulent not only has a high degree of simulation and texture, but also provides you with the convenience of requiring no maintenance. The simple and stylish design makes it an ideal choice for home decoration. Choose a few succulent branches to easily create a Nordic home life. Randomly placed it becomes a scenery, enhances the sense of happiness, is suitable for a variety of scenes, enriches the visual space, and emphasizes home decoration.

Features and advantages:

The flocked soft rubber feels real: The tiny artificial succulents are made of flocked soft rubber, which has a real and delicate touch and high degree of simulation, allowing you to feel the comfortable touch of natural plants.

Good texture and non-fading: High-quality materials ensure a succulent texture and are not easy to fade, maintaining a good appearance for a long time.

Simple and elegant fashion atmosphere: The design is simple and elegant, showing your own taste and adding a fashionable atmosphere to your home.

No maintenance required:

Mini plastic succulents are ideal for those of you who don't want to take care of green plants. No maintenance is required and it always maintains a vibrant appearance, saving you time and worry.

Material:

Made of flocked soft rubber to ensure real touch, superior texture and not easy to fade.

Application scenarios:

Suitable for various scenes, such as living room, bedroom, office, etc. Easily matched, fake mini succulent plants becomes the highlight of the space, enriches visual decoration and increases happiness.
