Product Description

This silk flower faux rose is perfect for your dream wedding. The petals are delicate, the colors are bright and lifelike, making people feel the beauty of real roses. Whether it is decorating the wedding scene or making bouquets, it shows high-quality simulation and adds a romantic atmosphere to the wedding.

Flower craft

The texture is thick, the fabric is smooth and wear-resistant, the texture is fine and clear, the craftsmanship is exquisite, the texture particles are full and three-dimensional.

Mosaic and leaf craft

The simulated plant texture is as beautiful as a real flower. The detachable leaves are easy to take care of, so you don't have to worry about missing branches or leaves.

Flower branch craft

The core wire is cast to make the flowers bend and not easy to break, keeping the flowers standing gracefully at all times.

Product name	Silk artificial rose for holiday
Material	silk cloth + plastic (built-in iron wire)
Applicable	Holidays such as weddings, Valentine's Day, etc.
Size	Regular can be customized
Shape	Can be bent into any shape
Technology	Injection molding process, professional blooming
Leaves	clear texture
Flowers	plump and lifelike

Use and maintenance

Do not expose it to strong sunlight to avoid discoloration caused by prolonged exposure.

Pay attention to indoor ventilation at ordinary times, reduce moisture, and stay away from oil fumes. You can easily remove dust on the surface of artificial flowers with tools such as droppers and brushes.

Remember not to wash or rub with water or machine wash. After such maintenance, the artificial flowers can stay bright and beautiful indoors for many years!
